

Grange Construction Materials Production Capabilities

Material Group	Location		Volume
Concrete Aggregates/Road Surfacing Materials	Kelhead Quarry, Kinmount, Annan, DG12 5RH	New CDE Global Aggregate Washing and De-Watering Plant with Rotomax Attrition Wash Extension at Kelhead Quarry has enabled Grange Quarry to supply, low carbon footprint, recycled aggregates.	500 tonnes per day
Road Surfacing Materials	Grange Quarry, Tundergarth, Lockerbie, DG11 2QG	Mobile Primary crusher, 200 tonne per hour, mobile secondary, 200 tonne per hour, 2 mobile screening units	1000 tonnes per day
Ready Mixed Concrete	Kirkburn Concrete Plant, Kirkburn Ind Est, Lockerbie, DG11 2FF	Steelfields Static Concrete Plant, 80m ³ per hour rate, 3 x 100Tonne Cement silos, 200 Tonne storage capacity per aggregate type, 2m ³ Static Barrel Mixer	80m ³ per hour
Ready Mixed Concrete	Mobile Concrete Batching Plant	Mobile Concrete Plant, 120m ³ per hour rate, 100Tonne Cement silos, 3m ³ Static Barrel Mixer Auto Wash System	120m ³ per hour
